GOVERNMENT OF MYSORE

Major Smyth was absent at Madras from the 14 to the 21st Dec. 1900, both days inclusive. The fact was not reported to this Office. The Offg Dewan made demi-official enquiries on the subject, and Col Bruce replied demi-officially on the 22nd Dec 1900 that he gave 3 days leave to Major Smyth to go to Madras on account of his child's serious illness which was extended by 5 days the leave was not notified.

In the communication now under disposal, the Senior Surgeon recommends that Major Smyth's absence in Madras may be treated as on duty, as he arranged for furniture &c for the Victoria Hospital while in Madras.

Subd for orders.

Your pencil notes are addressed to Offg Director but as the pen has brought the papers to me I venture to submit the following explanation, as I was present when the draft was revised by the Offg Director.

The words "the whole of" were purposely used so as to permit Col Benson hereafter to advance reasons why a portion of the stay may be treated as having been on duty. But if he does so the whole of ten days is of course liable to be treated as casual leave. All that we now say is that the recommendation to treat all the 8 days as on duty is inadmissible, but we do not commit ourselves to any opinion as to whether any portion of it may not be so regarded on cause shown [illegible]

My dear Srinivasa Iyengar

Please read & return the enclosed -

I did not take any action till I heard definitely from the Resident about Col Benson - His Comm^n was received day before yesterday. He will be a fairly hard nut to crack. Apart from his profession or practice in which he has been so useful - I do not know if he has any claims for it. It is likewise un-

desirable to take away
Assurgam from the Victoria
Hospital where she has
been doing such good work.
Fernandez maybe made
the personal effort which is
after all a ministerial
position. In bowing also
he has simply worked.
His views to be the best
arrangement with the
resulting confusion is known
Col Henson is here please
Consult + let me know
your views - & tell us then
come to a decision - If
Assurgam now takes it as
a change it is different -

Yours very sincerely
Winifred Swaisland

I had a talk with
Col Henson - & his
views were as I said
above

3/5/03

My Dear Lee

I quite agree with you - Dr Lumsden must of course be appointed to act as Senior Surgeon & Lumsden Commandant without prejudice to his present duties. It would be a pity to deprive Dr Aitchyson Rao Arunachalam and C A Naughton from their present places - each of them as in his present place and both doing excellent work - Dr Fernandez may be appointed Officer Assistant Resident - My recommendation of Gordon by case - If anything in my power should happen to him he could be easily replaced without disturbing any of the officers named above. Thanking you also Colonel Benson Commandant will go with Lumsden

Yours very sincerely

Dear Sir Krishnamurti

I am in receipt of your D.O. dated 19th May . I find from Mr.Maconochie's D.O. to you dated 26th March that Col Benson is represented to have made certain suggestions to him. Again from Mr.Sreenivasa Iyengar's note to you dated 15th instant Col Benson would appear to be agreeable to a modi-fied arrangement as specified in the D.O. We have met in Council twice since the last D.O.was written and if I had had the benefit of discussing the

the subject with you and Mr. Sreenivasa Iyengar I should be in a better position to give an opinion than I am now . May I venture to suggest that in such an important matter I amy be allowed to give an opinion after I have had a talk with you and Mr. Sreenivasa Iyengar at Saturday's meeting

From the Resident

Dear Mr Shumboo Chetty.

Before finally requesting H E. the Viceroy to open the Victoria Hospital at Bangalore, I shall be glad to learn what is proposed in regard to the management of the institution. I had a long talk yesterday with Messrs Krishna Moorti and Lakshmana Rao on the subject & these gentlemen will, I feel sure explain their views which seemed to be entirely in accordance with mine & yours.

If you decide to entrust the Hospital management to Major Smyth & to retain Captain Barr White as Durbar Surgeon until the close of the minority, I shall be glad to hear from you at an early date. The

Sir

I am directed to state that the Durbar are anxious to secure for the newly opened Victoria Hospital in the Bangalore City, in the initial stage of its existence the advantage of the supervision of an experienced, high Class European Surgeon. With this view they propose to appoint Lt. Smyth M. D. I. M. My dear sir,

You mentioned to Mr. Thumboo Chetty casually this evening that Major Smyth was at Madras on account of his Child's illness and that Captain Carr White was doing his work till you mentioned it the Offg. Dewan was not aware of either Major Smyth's absence or of Captain Carr White's services which terminated on your relieving Major Smyth on your return from leave, a fact which was reported to the Residency in due course.

The Offg. Dewan desires me to request you to kindly report on what leave, if any, Major Smyth has been permitted to go to Madras and from what date and whether you made any reference to Government about Captain Carr White's doing work for Major Smyth.

In this connection I am also desired to say that Mr. Thumboo Chetty would be glad if you can kindly send him for perusal a letter which he has now come to learn was written to you by Sir Sheshadri Iyer on the eve of his leaving Bangalor saying that the Durbar could not afford to have three British Medical Officers in service.

Dear Sir

not in file. Your D.O. of 17th and 21st to hand, and in reply I write to say that Major Smyth applied to me for 3 days casual leave from Sunday the 14th owing to the critical condition of his child's health necessitating its being taken to Madras at once. As I was away at the time in Mysore, he left an anticipation of sanction and asked for Captain Carr White to do his work during his absence. I did not make any reference to Govt regarding Captain Carr White's doing Major Smyth's work as I knew that the Dasharr had applied for his services as Darbar Surgeon, and as his services have not as yet been replaced at the disposal of the Military Department and were available, I thought it was only right that they should be utilized. I enclose the letter which I received from Sir Sheshadri few prior to his departure, regarding the question of a third European Medical Officer for the State. In this last para of your letter, you ask me to send the "Dewan" for perusal a letter which he has now come to learn was written to me by Sir Sheshadri for. Read correspondence ending with letter no 2412 dy the 27th Nov 1900 from the S. S. & S.C. recommending that Major J Smyth's stay at Madras from the 14 to the 21st Octr 1900 both days inclusive which was originally on casual leave of absence be treated as on duty

10506-6

Order thereon

The Govt regret their inability to accede to the recommendation made in the above case Major Smyth proceeded to Madras on his own private business, and while there he was asked whether the same would suit him to arrange for furniture &c for the Victoria Hospital. This is not a matter for which Govt can be held responsible, the whole of Major Smyth's absence must be treated as on duty

in Mysore.

Sir,

I am directed to state for th information of the Hon'ble the Resident that Major J.Smyth,I.M.S. Offg Senior Surgeon & Sanitary Commissioner with the Govt of Mysore, represents that on the 1st October 1901 he will attain the rank of Lieutenant Colonel, and that if he had remained in his own appointment in Madras, he would be in receipt of pay and allowances as follows:---

Pay	Rs.	1250
Special hospital allce-(Lock Hospl),		100
House rent	,,	110
Allce as Member of the Presidency Board of Examiners, (recently attached to the apptt)		50
		1510

Major Smyth requests that Govt may be pleased to make such arrangements re-garding his pay and allowances as will prevent his being a loser pecuniarily on his attaining the rank of Lieut. Colonel.

2. As Surgeon in charge of the Victoria Hospital, Bangalore, Major Smyth draws the same pay and allowances as were sanctioned to him as Durbar Surgeon, which, under the terms of your Office letters No. 1481 dated 3rd April 1897 and No. 3601 / 95-97 dated 14th August 1899, consist of pay Rs.1150 per mensem and a house rent allowance not exceeding Rs.120 per mensem. His present offi-ciating allowance of as Senior Surgeon is left out of consideration as it is only a temporary arrangement.

S.C. 9

S.C. 60

3. Major Smyth s presant pay of Rs. 1150 appears to have been

computed as ƒøø follows:-

Pay of Major, I.M.S.	850
College allowance.	200
Lock Hospl allce.	100
	1150

When promoted to a Lieutenant-Colonelcy the pay of which is Rs.1050, Major Smyth will be en--titled to a salary of Rs.1350 including the allowances shown above, and this, together with the present house-rent allowance not exceeding Rs.120 per mensem, the Durbar are prepared to pay to Major Smyth in consideration of the excellent work done by him in Mysore, upon receipt of the sanction of the Govt of India.

4. Major Smyth asks also to be given an allowance of Rs.50 per mensem which appears to have been recently attached to the post formerly held by him in Madraø.

As Major Knight would have got
this allowance as a part of his emoluments had he
remained in Madras

The Durbar will cheerfully pay this
and the approval of
allowance also, if the Government of
India ~~have no objection.~~ is obtained for so doing

No. Office of the Dewan of Mysore,

Dated Camp Mysore, 29th October 1901.

From

H.V. NANJUNDAYYA Esquire M.A. M.

Secretary to the Government of Mysore

General and Revenue Departments.

To

C. L.S. RUSSELL, Esquire. I.C.S.;

First Assistant to the Hon'ble the Resident in Mysore.

Sir,

Reminder No. 50 M

With reference to correspondence ending with your letter No. 4596 dated the 14th ultimo, on the subject of medical arrangements in the Mysore State after the return of Surgeon Lt.-Col. P H. Benson from furlough, I am directed to state that the Durbar will continue Surgeon Lt.-Col. P.H. Benson as Senior Surgeon on his present emoluments of Rs. 1850 (1700 plus 150) a month, in addition to house rent. In letter No. 2370 dated 2nd June 1897 from your Office, the sanction of the Government of India was conveyed to the retention by the Durbar of the services of this Officer until the 31st May 1902 or until date of his promotion to the administrative grade. This period expires shortly and it will be necessary to extend this period for another two years, or until Lt.-Col. Benson's promotion to the administrative grade, should that occur before the two years are completed. Lt.-Col. Benson is just now on leave and it has not been possible to consult his wishes in this matter.

In the opinion of the Durbar, the supervision of an experienced whole time Officer for the Victoria Hospital, seems very necessary at least for some time longer, and they are

~~anxious~~ much to retain Surgeon Lt.-Col. Smyth for this important charge. I have the honour, accordingly, to apply for an extension of the term of his employment in Mysore for a further period of two years, i.e., till March 1904, on the emoluments proposed for him in my letter No. 5897 F. File 30-96 of the 5th instant. Lt.-Col. Smyth is now Officiating as Senior Surgeon in the absence of Lt.-Col. Benson on leave in England and on ~~his~~ return at the end of December next, ~~Lt. Col. Smyth will~~ and will revert to his exclusive charge of the Victoria Hospital.

3. I am also to state that ~~on Lt.-Col. Benson's return~~ the services of Captain Carr White, which, under the present arrangement, extends only to the period of Surgeon Lt.-Col. Benson's absence on furlough, will not thereafter be required by the Durbar, and Surgeon Col. T.J. McGann will then be assigned the duties of the Durbar Surgeon, on his present salary of Rs. 1400/- per mensem, in addition to free house

I am to request the favour of your obtaining the sanction of the Government of India, for the foregoing arrangements.

5 Lt.-Col. Smyth has signified his intention of applying for 3 months privilege leave in May next and another communication will be made when his application is received.

I have the honour to be,

Sir,

Your most obedient servant,

Secretary.

Dear Mr. Srikanteswara Iyer,

It is only this day that we learnt from Col. Benson casually, that Major Smyth was at Madras on acco unt of his child's illness and that Captain White was doing his work. Under whose authority was this arrangement made? and when and from what date leave, if any, has been granted to Major Smyth?. As soon as Col. Benson returned from leave Major Smyth was relieved and Captain Carr White had to revert Col. Benson has casually mentioned to me that Captain Carr White had not yet reverted to Military duty. This is inexplicable. We have only reported to the Resident that Captain Carr White was relieved on Col. Benson return from furlough. It is better to tell Col Benson to report matters officially for orders. It is strange that Captain Carr White should have been allowed to do any work after Col. Benson's return from leave with-out reference to the Durbar and without sanction.

You may write a D. O. to Col. Benson.

Yours sincerely

Sd/T.R.A. Thumboo Chetty
